

RESIDENTIAL REBATES

Idaho County Light & Power Cooperative is offering energy conservation rebates to help our members reduce their power bills. See below for details about the programs and residential rebates we offer to our members:

- [Appliances](#)
- [Heat Pump Water Heater](#)
- [Ground Source Heat Pump](#)
- [Air Source Heat Pump](#)
- [Ductless Heat Pump](#)
- [Windows](#)
- [Energy Star Manufactured Homes](#)
- [LED Residential Lighting](#)

[Take the Together We Save Home Tour.](#) This site takes you through an interactive demonstration of potential energy savings projects for your home and the estimated energy savings.

Call (208) 983-1610 or email rhoman@iclp.coop for more information about our conservation programs.
